

QUALITY POLICY

FTG SAFETY SHOES S.r.l. is committed to providing customers with products and services that meet their needs and strive for excellence.

The company aims for leadership in its target markets, constantly working to understand every new market need and to win customer trust and satisfaction.

Our commitment to Continuous Improvement is focused on enhancing Customer service and the ongoing advancement of our internal processes. The objectives we set ourselves are clear, concise and in line with regularly updated and reviewed context and risk analyses.

Taking into account the needs of all interested parties, FTG SAFETY SHOES S.r.l. undertakes to invest its financial resources in the expansion of machinery, infrastructure and production processes necessary for the company to be responsive to market demands (product quality, product range, speed of delivery, regulatory compliance).

It is also committed to ensuring an adequate organisational structure that enables the achievement and maintenance of the desired Quality, focusing on the growth and diffusion of company know-how, so that each collaborator can contribute through their own responsibility and competence to the achievement of the established objectives.

FTG SAFETY SHOES S.r.l. also undertakes to apply, respect and maintain all the voluntary and mandatory standards applicable to Personal Protective Equipment, specifically safety footwear.

We collaborate closely with all our external partners and stakeholders, fostering an environment of trust and reliability. This commitment ensures the provision of high-quality services, raw materials, and prompt assistance in the event of any issues.

The Managing Director has entrusted the Quality Manager with the responsibility of verifying the effective implementation of the Quality System. The Quality Manager is also responsible for ensuring its dissemination and maintenance across each Service/Function in accordance with ISO 9001:2015.
